**Report of 1 percent manual tally count of random precincts per California
Election Code Section 15360(e)**

I, JIM McCAULEY, County Clerk-Recorder-Registrar of Voters, County of Placer, State of California, do hereby certify that on January 6, 2011 a one percent manual tally was conducted and completed in conjunction with the January 4, 2011, Special General Election.

The California Elections Code requires each local election official to conduct a manual count of all contests on ballots cast in a randomly-selected one percent of the Election Day voting precincts in order to verify the accuracy of the machine count. This manual tally occurs during the 28-day vote-canvassing period prior to official certification of election results and augments extensive pre-election testing activities to demonstrate the integrity of the vote tabulation system.

This report addresses the manual-count to machine-count comparison of a randomly-selected one percent of the AccuVote Optical Scan units deployed on Election Day. With 54 polling place precincts and 29 vote-by-mail precincts, Placer County would need to randomly select 1 precinct to comply with Elections Code Section 15360(e). The randomly selected slip of paper was drawn on January 5, 2011 and contained the following precinct number: 453512. In order to check accuracy for the vote-by-mail ballots the above precinct number also became a vote-by-mail precinct. Because the ballot only contained one race no other precincts needed to be randomly selected.

The selected precincts/race showed exact matching tallies between the manual tally and the election summary report.

The entire manual tally was conducted in public view by hand without the use of electronic equipment, no individuals who performed the manual tally at any time during the manual tally process were informed of the corresponding machine tally results, and no poll workers were assigned to participate in the manual tally. Further, tally logs of the manual tally process were kept and have been made available to the public.

An election notice was published in the legal section of the newspaper to comply with the notice requirements. Lastly, the entire manual tally process was completed prior to certification of the November Consolidated General Election.

IN WITNESS WHEREOF I have set my hand and affixed my official seal on this 10th day of January 2011, in accordance with the laws of the State of California.
